Education

University of Chicago	*M.A. & Ph.D. in Linguistics*	2015 - expected Spring 2021	Chicago
Boğaziçi University	*M.A. in Linguistics*	2011 - 2015	Istanbul
Institut Jean-Nicod	*Scientific Mission*	2014	Paris
Florence Design Academy	*M.A. in Graphic Design*	2009 - 2010	Florence, Italy
Bahçeşehir University	*B.A. in Advertising*	2005 - 2009	Istanbul

Data Science & Natural Language Processing

CPOST	*Data Collection Intern*	January 2021 - ongoing	Chicago

- Creating an NLP pipeline to mine data from Turkish sources and populate the *Database on Suicide Attacks*

Exos Financial *Claira*	*Tech Strategy Intern*	January - June 2020	New York City

- Created a Machine Learned model to classify the logic of lists to mine data from English legal texts

NetworkedInsights	*Data Science & Analytics Intern*	Summer 2019	Chicago

- Trained a regressor on Twitter that predicts political stance from linguistic competence

University of Chicago	*Ph.D. Researcher*	2015 - Present	Chicago

- Using Machine Learning on sign language data to predict signer behavior from (psycho) linguistic factors
- Created vector embeddings for ASL to test correlations between its lexical semantics and phonology
- Created a vowel harmonic syllable parser for Turkish

Data Analytics

spaCy, nltk, gensim	*Expert*
Python, JavaScript	*Advanced*
scikit-learn, pandas	*Advanced*
SQL, BigQuery	*Advanced*

Languages

Turkish	*Native*
English	*Fluent*
ASL	*Research*
Italian	*Conversational*

Visual & Design

Adobe CC Suite	*Expert*
3DsMax, Blender	*Expert*
html, CSS	*Advanced*
seaborn, Tableau	*Advanced*

Teaching, Research & Administrative

University of Chicago	*Ph.D. Researcher and Lecturer*	2015 - Present	Chicago

- Taught Computational Linguistics, Syntax, Semantics, Structure of Turkish, American Deaf Community
- Designs experiments, annotation schemata; collects data from 75+ users of 6 languages; supervises 10+ RAs
- Awards: Humanities Division Fellowship, six research grants

Boğaziçi University	*Researcher*	2011 - 2015	Istanbul

- Created and maintained a 1500 hour-long corpus of Turkish Sign Language from 100+ deaf signers

Chicago Linguistic Society	*Officer and Bookkeeper*	2016 - 2019	Chicago

- Organized the CLS 53 conference; Handled checks, recorded transactions and prepared reports
